1) Prior to January 1st 1929, the minimum qualification for the then 1st class and the present 4th class appointments, viz., a post carrying a pay of Rs 25/- and less was a pass in the L.S. Examination or a certificate of having studied up to V form. In the Government Order No.3567-3652/C.R.B. dated the 10th October 1928, Government sanctioned a revised classification of appointments, and as a consequence the minimum qualification for the appointments were also suitably revised. It may be stated that in the Revenue Department as far as one is aware ~~of~~, there is no appointment of less than R 25/-. A very large number of Non-Brahmin candidates that were recruited prior to 1st January 1929 as Sumasthas or Clerks on Rs 25/- have passed only L.S. Examination or done only the S.S.L.C. Course. It is also learnt that a large percentage of these people who were entertained in recent years are still continuing on a temporary basis as they were not confirmed in permanent vacancies, either owing to want of permanent vacancies or owing to permanent vacancies being made use of to confirm other hands in offices.

2) The rules of recruitment ~~now~~ require, that whenever a temporary ~~vacancy~~ Vacancy becomes permanent, it is to be advertised. It is also seen that in many cases while permanent vacancies go to the notice of the Deputy Commissioners, they very rightly advertise them generally and do not make use of them to confirm any of the recruits that have been continuing on a temporary basis and these people are ~~xk~~ asked to apply for these vacancies when advertised. According to the Government Order stated above, a minimum qualification for the post on Rs 25/- is S.S.L.C. Hence those people who have only done the S.S.L.C. course or passed the L.S. Examination, have become ineligible for any appointment in the Revenue Department for the very posts in which they are acting for a long time. It seems to me that this is a real hardship and that some way has to be found for solving this problem.

3) These candidates ~~who~~ entered service under the rules of recruitment and ~~they~~ are now to be turned out and made ineligible for the several posts by the very rules. It is clear that if this is to be the case, the rules would have, instead of benefiting them, only marred their prospects. Probably, if they had not been appointed at all they would have taken to some other

occupations or continued their studies, but having got them in and asking them now to quit, would be a real hardship.

4) The matter is an important one, and may perhaps be discussed at the next meeting of the Board with the following tentative suggestions :--

(1) Discretion might be given to all Unit Officers to confirm the existing Non-Brahmin candidates in the vacancies in which they are acting, if the vacancy in question admits of such a course.

(2) Whenever it is not -- possible to confirm them, a list of such officials who were entertained prior to January 1929 under the old rules of recruitment and are now working in the Department may be prepared and these candidates declared as having been exempted from passing the S.S.L.C. Examination for purposes of appointment on Rs. 25/- in the Revenue Department.

7) The following resolution was passed at the meeting of the C. R. B. held on 15.4.29

Subject No. 6. Question of remedying the hardship caused to officials especially in the Revenue Department (with the L.S. qualification who were recruited prior to 1st January 1929 on a pay of Rs 25/- under the old rules of recruitment and who are still continuing on a temporary basis) by the recent Government Order No.3561-3652/C.R.B., dated 10th October 1928 which prescribes S.S.L.C. as the qualification for appointments carrying a pay of Rs 25/-.

Resolution

Discretion might be given to all Unit Officers to confirm the existing Non-Brahmin officials who, having passed the L.S. Examination, are holding appointments on a pay of Rs 25/-, if the vacancies in which they are acting could be permanently filled up and such of the acting non-Brahmin officials of the class in question as cannot be so confirmed may be exempted from passing the S.S.L.C. Examination for purposes of getting appointments on a pay of Rs 25/- per mensem. A similar procedure may be adopted in the case of acting Brahmin officials appointed in General vacancies under the old rules.
